Senior School

May is a crunch time for both academics and athletics; maintaining a consistent and healthy routine will help reduce stress levels. Solid organizational skills will ensure that students are able to fulfill all their commitments in a timely manner. Culminating Assessments will begin on Monday, May 27th and conclude on Thursday, May 30th. These assessments will occur in class and follow a "blocking" schedule. The culminating schedule is attached.

Just a reminder to return completed course selection forms as soon as possible. Course selection forms may be scanned and sent to adrysdale@albertcollege.ca or dpurdie@albertcollege.ca. Once students in Grade 11 have returned their forms, they will meet one-on-one with the Director of Guidance to ensure they are on track for their post-secondary plans.

Reminder: Friday, April 26th is the deadline to submit hours for this year's Active Citizenship A Pins.

Anyone interested in attending summer school in August for ESL should speak with the Enrolment Management Office.

Middle School

April is a busy month with many activities and events taking place during or after school. This is a perfect opportunity for students to maximize the use of their agendas by writing in their school commitments and planning their schedules. Please note that it is assumed that students are picked up right after school if they do not have an athletic commitment. Supervision in the Resource Centre is not always available after school due to coaching commitments. Please note, if students wish special permission to stay after school in the Resource Centre, their parents should contact Ms. Hartling. As the weather improves, softball and soccer practices will be held outside.

Guidance

2020 Grad Class: All students graduating in June 2020 are to meet with Ms. Reid to review course selections and post-secondary plans before **May 31/19**. Please come to the Guidance Office to book an appointment. If you do not make your own appointment, one will be scheduled for you.

Acceptances...How will you know?

This is the usual order:

1. Individual college/university accounts.
2. OUAC or OCAS account.
3. Email from the university or college.
4. A package may be mailed to you.

IT'S VERY IMPORTANT to check your individual accounts for college/university acceptances!

Accepting Admission Offers: If you plan to **accept an admission offer**, please make an appointment to meet with Ms. Reid. Please review college/university email and correspondence making note of admission offer **conditions, deadlines** for responding to admission offers and residence space offers.

Residence: Graduating students should review residence options at colleges/universities making note of application processes, deadlines and deposits required. Some applications are due before you accept program offers.

Scholarships: Students are reminded that they can apply for scholarships and bursaries before they have received admission offers. Individual school websites will have further details.
